I'll meet you in the city I'll pick you up at night I'll drive you through the suburbs I'll get you there in time I'll meet you in the city I'll stay clear of the light I'll get us through the checkpoints Yeah I know we'll be alright Oh Julian Once we get across the border Oh Julian I'll mend your heart Oh Julian Once we get across the border Oh Julian I'll mend your heart And maybe we are sinners But love ain't no crime I'll get you through the checkpoints I'll drive us through the night You know I'll keep your secret I've locked it up inside As long as we are moving Yeah I know it'll be all right Yeah I know it'll be all right Oh Julian Once we get across the border Oh Julian I'll mend your heart Oh Julian Once we get across the border $\$ Oh Julian I'll mend your heart Oh oh oh oh Oh oh oh oh Well love it ain't no crime Oh oh oh oh Well love it ain't no crime Oh Julian Oh Julian I'll mend your heart Oh Julian Once we get across the border Oh Julian I'll mend your heart Oh Julian (Well love it ain't no crime) (Well love it ain't no crime) Oh Julian (Well love it ain't no crime)
