

# Make You Mine

SayWeCanFly

Lately, I've been feeling crazy, crazy about you  
Rainy days and early mornings, laying next to you  
I smile, you smile  
That's what gets me in the mood  
I smile, you smile, it's like

We're standing at the top of the world tonight  
Just tell me what I gotta do to make you mine  
And I'll do it all for you, oh  
Everything's gonna be alright  
Just tell me what I've I gotta do to make you mine  
And I'll do it all for you, ooh

Lately, I've been feeling better, now that I have you  
It's like the time goes on forever, laying next to you  
Then you smile, then I smile  
That's what gets me in the mood  
Then you smile, then I smile, it's like

We're standing at the top of the world tonight  
Just tell me what I gotta do to make you mine  
And I'll do it all for you, oh  
Everything's gonna be alright  
Just tell me what I've I gotta do to make you mine  
And I'll do it all for you, ooh  
Do it all for you, oh
