

# Nosebleed

SayWeCanFly

I'm wide awake laying here in my bed  
I'm thinking back on all the ways  
I probably fucked up again  
I wish that somebody could save me  
I know nobody can  
I'm trying to read you like a book  
But all your pages are bent

I'm just trying to make you happy  
But I'm sad  
Trying to win your heart again  
'Cause I lost that  
Ballin' out on Instagram  
'Cause you watch that

But you gave me another fucking nosebleed  
Go ahead and hit me harder, darling do it  
'Cause I like the kind of pain that I've been feeling  
'Cause I'm feeling  
'Cause I'm feeling  
'Cause I'm  
Another fucking nosebleed  
Take my heart and bash it right against the ceiling  
'Cause I like the taste of blood that I've been bleeding  
'Cause I'm bleeding  
'Cause I'm feeling  
'Cause I'm, cause I'm  
Yeah

(So I've been thinking about this for a long time  
And I... I think it's probably best if we just stop this shit  
'Cause it's... it's really fuck up with my head  
Fuck up with my head  
Fuck up with my head)

You know I don't fuck around with my exes  
It's weird trying to make an exception  
You leave me on read for a week with my message  
You might aswell just get a fucking reception  
Well maybe it's better I just lay it out  
Remember that weekend you came to my house  
Yeah, while you were asleep  
With your head on my shirt  
You also came up on my roommate's tinder  
Funny, never thought I'd care  
'Cause that's the way we met  
And now you're playing with my hair  
And it feels good, I'll admit it  
But I know there's other bitches  
That would actually care

But you gave me another fucking nosebleed  
Go ahead and hit me harder, darling do it  
'Cause I like the kind of pain that I've been feeling  
'Cause I'm feeling  
'Cause I'm feeling  
'Cause I'm

Another fucking nosebleed  
Take my heart and bash it right against the ceiling  
'Cause I like the taste of blood that I've been bleeding  
'Cause I'm bleeding  
'Cause I'm feeling  
'Cause I'm, cause I'm  
Yeah
