

Oh, there is nothing
That I wouldn't do for you
I mean that literally it's true
There's nothing I wouldn't do for you
And there is no ocean
That I wouldn't cross for you
In fact I know that I would have to
If I ever wanted to tell you
That I believe in a heaven
But I don't believe it's up there
It is a place between two hearts
That keeps them from being scared
Oh, there is love
Then there's true love
And I hope you don't think I'm love
Heaven is the place that you and I belong
Oh, there is nothing
That I wouldn't do for you
I mean that figuratively too
There's nothing that I wouldn't do for you
There is no mountain
That I would not climb or move
There is no point that I would not prove
If it meant I could finally tell you
That I believe in a heaven
But I don't believe it's up there
It is a place between two hearts
That keep them from being scared
Oh, there is love
Then there's true love
And I hope you don't think I'm love
Heaven is the place that you and I belong
Now that I've fallen down onto the floor, floor
I see things much different then I did before, before
It was nice to know you
There's the door, door
I see you much different then I did before, before
Before
