

In the light of the moon
Can be seen me and you
Dancing over the ocean tonight
So in love 'cause we know
That this world is our own
And we don't have to worry 'bout time

Tá mé i ngrá leat
Tá mé i ngrá leat
Well I'm sure that this isn't
The first time I've loved you
And I know that it won't be the last

In a life long ago
Born in mountains and meadows
Star-crossed lovers we were from the start
O'er the rivers and streams
You're the prettiest thing
And I'll keep you forever in my heart

Tá mé i ngrá leat
Tá mé i ngrá leat
Well I'm sure that this isn't
The first time I've loved you
And I know that it won't be the last

Sail with me to the west
Where we'll live out the rest
Of our story together, oh I'm
So in love 'cause I know
Even after we're gone
They'll remember the pieces we left

Tá mé i ngrá leat
Tá mé i ngrá leat
Well I'm sure that this isn't
The first time I've loved you
And I know that it won't be the last

Tá mé i ngrá leat
Tá mé i ngrá leat
Well I'm sure that this isn't
The first time I've loved you
And I know that it won't be the last
Yeah I know that it won't be the last

Tá mé i ngrá leat
Tá mé i ngrá leat
Well I'm sure that this isn't
The first time I've loved you
Yeah I know that it won't be the last
