

They're Calling For Rain

SayWeCanFly

I found my sketchbook from junior year.
My god, I must have been depressed.
And I found a picture of that prom that I missed.
But god damn, all my friends were so well dressed.

They're calling for rain again.
And I can't pretend that I don't need you.
And I wish we would have talked.
When the days were long and I could see you.
I wish you would have stayed just one more day.
But I guess I would have missed you anyway.
I don't know how to talk, that's why I say things I don't want to.
I don't know how to talk, that's why I say things I don't want to.

And I lost the memory of that day at the park.
Jumping through piles of leaves.
And I lost the feeling in my heart.
'Cause I left it carved into our tree.

They're calling for rain again.
And I can't pretend that I don't need you.
And I wish we would have talked.
When the days were long and I could see you.
I wish you would have stayed just one more day.
But I guess I would have missed you anyway.
I don't know how to talk, that's why I say things I don't want to.
I don't know how to talk, that's why I say things I don't want to.

They're calling for rain again.
And I can't pretend that I don't miss you.
I wish we would have talked.
When the days were long and I was with you.
I wish you would have stayed just one more day.
But I guess I would have missed you anyway.
I don't know how to talk, that's why I say things I don't want to.

They're calling for rain again.
And I can't pretend that I don't need you.
And I wish we would have talked.
When the days were long and I could see you.
I wish you would have stayed just one more day.
But I guess I would have missed you anyway.
I don't know how to talk, that's why I say things I don't want to.

to.

I don't know how to talk, that's why I say things I don't want to.
