

Your Ghost

SayWeCanFly

I hope you can't breathe without me
I hope you sleep alone
'Cause your ghost, it still haunts me
But I can't let you go

Sitting alone in my empty apartment
Bet you [?]
This couldn't mean nothing but you went away
You took all that I had left

Was all this for nothing I just wanna know
I still take you with me everywhere I go
Chasing these memories that feeling of home
But you're gone
So

I hope you can't breathe without me
I hope you sleep alone
'Cause your ghost, it still haunts me
But I can't let you go

Got your voice in my head and I can't get it out
But you know I'd do anything just to deafen the sound
You let me hang this so tell me how does it feel seeing me now
Take a beautiful thing and put it in the ground

Was all this for nothing I just wanna know
I still take you with me everywhere I go
Chasing these memories that feeling of home
But you're gone
So

I hope you can't breathe without me
I hope you sleep alone
'Cause your ghost, it still haunts me
But I can't let you go

I hope you can't breathe without me
I hope you sleep alone
'Cause your ghost, it still haunts me
But I can't let you go
