

Wait a second 'cause we going to the top and
Made a bet and now I'm floating never stopping
Wait a second, 'cause we going to the top and
Made a bet and now I'm floating, never stop
Break it up, breathe in, exhale
Shake 'em up, know y'all don't care
See, we're breaking all the rules, going all out with a bang!
Just doing what I want, what I can, serious!

Laging may serious biz, delirious nga ba, huh?
Tingala, doing my thang ridiculous game
Isulong ang P's and huh, hit 'em up!
Better ba, better ba? Yeah, hell if I, hell if I care
Gonna make it pop, let's run it up, I made this game

Paved no way?
Balling harder, boy, respect my name
Breaking lines, the way we change the ways
I'm taking my claim like eenie miney mo, what you doing?
Yeah, we here and now, what we losing

I've been working for my desire, we roll or die
We own the hype, we moving
Yeah, yeah, yeah! Can you feel the change?
Break hard!

8-TON BALL might come crashing down on the ground
8-TON BALL, yeah, we break it down, get it, get it
'Di lumalapag lang basta
Mas lumalakas ang asta
Wait, wait, I'm capping, uh
So what? I'm fly

Swerve, swerve, zooming round, we zooming round, uh
Swerve, swerve, motor loud, we coming louder
'Di lumalapag lang basta
Mas lumalakas ang asta
Wait, wait, I'm capping, uh
So what? I'm fly

Fly, dumagundong man ang tala ay hindi na bibitaw
Oh, you gonna see, rise
Tumalon man sa bangin ay iisa pa rin sigaw
Bitter attention we growing
Indelicacy of the scars, yeah, we blowing
Keep it a hunnid, I know it
I'm ready to face all the fuss, yeah, we do it
Heavy metal, keep the pedal down low
Better get it when I said it, let's go
Better run, li'l rabbit, I said, we roll, we roll, get ready, now go

I've been working for my desire, we roll or die
We own the hype, we moving
Yeah, yeah, yeah! Can you feel the change?
Break hard!

8-TON BALL might come crashing down on the ground

8-TON BALL, yeah, we break it down, get it, get it

Swerve, swerve, motor loud, we coming louder
'Di lumalapag lang basta
Mas lumalakas ang asta
Wait, wait, I'm capping, uh
So what? I'm fly

We'll take time, go up and down
Everything I want is here and more
All I'm saying is we're here now, yeah
Ain't no stopping till it's real now, yeah, yeah!
Reaching for the clouds
So highup in the air, I see it now
Need a change, need it right now

8-TON BALL might come crashing down on the ground
8-TON BALL, yeah, we break it down, get it, get it
'Di lumalapag lang basta
Mas lumalakas ang asta
Wait, wait, I'm capping, uh

8-TON BALL might come crashing down on the ground
8-TON BALL, yeah, we break it dow, get it, get it
