

Alab (Burning)

SB19

Hey, ooh...

Ano bang meron sa ngiti mo?
(Girl, I'm dyin')
'Di ka na maalis sa isipan ko
(Impossible)
I feel so alone but I can't just keep on singing this song
Gotta get your love, yeah baby girl I'm coming now (Sure you're mine)

Tryin' to forget, still tryin' to forget
Tryin' to forget, no I can't figure this one out
Won't stop anymore, can't stop anyway
Now the fire in me has started
You'll be in my zone

Burning up fire
'Di na matatangi
Got me like fire
Ikaw na ang aking hinahanap
(No matter)
Oh, I do (love you) baby I do (love you)
I need your, I need your love right now
Now now, now now, now now
'Di mapigil itong damdamin
Now now, now now
I need your, I need your love right now

Dami nang nanliligaw sayo
(Cause you're so fine)
Ako pa ba kaya'y mapapansin mo?

I must take you home
But I still just keep on singing this song
Listen to me baby, you're mine
Sure you're mine

Ano ba ang ginawa mo?
Ang mundo ko ay kontrolado
Ako pa ba ko, mukhang malabo
No, I can't figure this one out

Won't stop anymore, can't stop anyway
Mapapasakin ka rin at sabihing
You'll be in my zone

Burning up fire
'Di na matatangi
Got me like fire
Ikaw ang aking hinahanap
(No matter)
Oh, I do (love you), baby I do (love you)
I need your, I need your love right now
(Save me I)
Save me
(Need your love)
It's only you who can
(Only you)

Give it to me
I'm gonna break now
Mapapasakin ka rin
Di na patatagalin

Now the fire in me has started
Calm me down with your warm embrace

Burning up fire
'Di na matatangi
Got me like fire
Ikaw na ang aking hinahanap
(No matter)
Oh, I do (I need you) baby I do (Oh)
I need your, I need your love right now
Now now, now now, now now
'Di mapigil itong damdamin
Now now, now now
(No matter)
I need your, I need your love right now
