

Gun! Now we run
We go hard like
We'll lose none
And now it's done
Onion sun
Slicin' dicin' in the zone

Let crimson drip!
Drip, drip, drip, drip, drip, drip (wooh!)
Drip, drip, drip, drip, drip, drip, drip
Let crimson drip!
Drip, drip, drip, drip, drip, drip (wooh!)
Drip, drip, drip, drip, drip, drip, drip

Bleed it, sweat it, hey!
I deserve it, now they chase
These suckers pretend they me
Stop the cap, play ball like a captain
Gusto ka ba mu check sakong IG
VVS akong drip puro NIKE (ey!)
Too cold, i'm ICE can't stand me (ice!)
Got the fleet on my back
Who can stop me?

Copy, not me - never been sloppy
It's been a long time but your boy's still bossy
Hot outside, but the neck's still frosty
Pull up five deep with the same old possee uhmm

Y'all to easy
Batak ang mga surat kala mo si
Bakit mukha kang pilit 'wag kang mag kumulit
Asa ka pa na magaya I'm the one and only

Sige lang nang sige
Believe me
Nang walang pag-sisisi
Buhos mo'ng lahat

Hangga't makakaya mo

Tanging alay ko'y ako
Gawa sa pawis, luha't dugo
Kaya di balakid ang kahit pa na ano

Let crimson drip!
Drip, drip, drip, drip, drip, drip (wooh!)
Drip, drip, drip, drip, drip, drip, drip
Let crimson drip!
Drip, drip, drip, drip, drip, drip (wooh!)
Drip, drip, drip, drip, drip, drip, drip
Let crimson drip!

Hero, never gonna be me, no!
Quit tryin' to find me like Nemo
Had to cut ties
With do-double crossers
Just to thread the needle
Weasel shoo!
Don't need you
Kase ngayon alam ko na what to do
I sneeze achoo
Para mawala na ang flu
Cos I got lot of things to do

I don't want to make it rain
Di ko mapatay aking flame
You can't blame me, i'm insane
Di mapipigilan, i can't be tamed
I got bloodstain in my name
Want to, got to assume pain
Coz I ain't losin' this game
I give everything thing!

Sige don't care if you
Believe me
Di ako mag sisisi
Buong ibibigay
Puso't kaluluwa kong ito

Heto lang ang kaya ko
Gawa sa pawis, luha't dugo
Kaya di mababagabag sa kahit ano

Let crimson
Drip, drip, drip, drip, drip, drip (ooh!)
Drip, drip, drip, drip, drip, drip, drip
Let crimson drip!
Drip, drip, drip, drip, drip, drip (ooh!)
Drip, drip, drip, drip, drip, drip, drip
Let crimson drip!

Now we run

Let it drip! drip! drip! drip!

Let it drip! drip! drip! drip!
Catch my drift
