

## Dollar Bill

Scarface

For a dollar bill, people will do anything  
They'll rob and steal for a dollar bill, anyway

For the dollar bill, people will do anything (Yes, they will)  
For the dollar bill, people will do anything (Yes, they will)  
They will rob and steal for the dollar bill  
(Yes, they will; yes, they will)  
For the dollar bill people will do anything (Yes, they will)

Yeah, I'm from around the way  
I slung about an ounce a day  
I'm living proof you ain't got no excuse  
If it was there, it ain't shit to lose  
Dem older cats would chunk a nigga fronts  
Would rock it up and smoke that shit in blunts  
For tennis shoes, we was getting fools  
We caught you slippin', we would get at you  
With no respect, fuck a nigga set  
We shot it up and murk his connects  
What yours is mine for a dollar sign  
I blame the grind, I was outta line  
I'm reminiscing on what niggas did  
For big rewards, you took a bigger risk  
They say what comes around go around  
And when you least expect it shit be goin' down

For the dollar bill, people will do anything (Yes, they will)  
For the dollar bill, people will do anything (Yes, they will)  
They will rob and steal for the dollar bill  
(Yes, they will; yes, they will)  
For the dollar bill people will do anything (Yes, they will)

They called it murder in the first degree  
And it was then that it occurred to me  
This was some inside shit  
That was your friend got hit, huh?  
They knew all about the stash spot  
Knew where the money was and cashed out  
You got the nerve to act like you don't know  
When all the while you steady gettin mo'  
Just remember dude we watchin' you  
I spared your life they day they shot at you  
'Cause if I didn't, they was coming back to finish off yo' ass  
You were walking dead, it's a fact  
You slimy niggas play the game wrong  
Get popped, can't do they time, so they sang songs  
I turned the game on, Watch the Knicks play  
I sent them shottas at your ass 'cause you a bitchmade nigga

For the dollar bill, people will do anything (Yes, they will)  
For the dollar bill, people will do anything (Yes, they will)  
They will rob and steal for the dollar bill  
(Yes, they will; yes, they will)  
For the dollar bill, people will do anything (Yes, they will)

Real nigga in your presence  
Money couldn't change me past or the present

Homie, I'm the essence, tote a Smith & Wesson  
Eyes hella tiny, in the hood is where you find me  
Out here with the grimey, bitches wanna come up  
Niggas slangin' snow packs, nose running, I'ma  
Let you get your mind right, homie on that weed though  
Baby on them mollywhops, blinded by the weed smoke  
We come from them streets, ho, I stay on that ign'ant shit  
Ain't nothin' 'bout weak, ho, always game to stomp a bitch  
And stomp a bitch, and stomp a bitch  
Got a super boxing game, so I prefer to punch a bitch  
Mission accomplished  
Put me up against whatever I am busting it  
A nigga's born hustlin' and tustlin'  
And strugglin' and musclin'  
Just making you aware who you fucking with
