Sometimes

Scarlet Pleasure

Sometimes I give in to temptation
Used to act the fool, when you ain't around
Sometimes I've numbed the frustration
You know after shows "New girl, new town"
But here is my heart, everything
This is me, it's all I am
I ripped it out, for you to see
Can you forgive it?
Now you know, you will all
Baby, please pick up the phone
So many things we don't treasure
While we're in it

I was blinded by the way that you loved me
Lighted by the way that you care
Now I know that you've been thinking about me
Thinking 'bout the moments we shared

Oh, sometimes I've been cruel
I haven't been sincere
But sometimes
I wish you where here

Sometimes we would sneak up the backyard
Baby late at night, kiss until dawn
Oh, sometimes we would ride down boulevards
Ride down anything, that wouldn't last long
But as for know, ain't to say
I know I'm the one to play
All those nights when I got home
I tried not to wake you
So this I life, in the deep
All those drinks and still no sleep
How many years before we do
What we where made to

I was blinded by the way that you loved me
Lighted by the way that you care
Now I know that you've been thinking about me
Thinking 'bout the moments we shared

Oh, sometimes I've been cruel
I haven't been sincere
But sometimes
I wish you where here

Wish you where here
Wish you where here
Wish you where here
Wish you where here

I was blinded by the way that you loved me
Lighted by the way that you care
Now I know that you've been thinking about me
Thinking 'bout the moments we shared

Oh, sometimes I've been cruel

I haven't been sincere
But sometimes
I wish you where here
