Scarlet Pleasure

Thunderstrike in one, two, three  
Watch me move my dancing feet  
I'm the best in here  
You just don't know  
You just don't know  
How come you don't look at me  
There's so much for you to see  
I'm the best in here  
You just don't know  
You just don't know

All my moves are gold  
Like C-3PO  
Robot tipping toes, ah yeah

If I could bring only one thing to an island  
It would be you, that's enough to survive it  
Not even tipsy, you just get me excited  
You just don't know, just don't know

I'm wiggling baby, I'm like a crazy cartoon  
I'm like why you not in love, yeah, why you gotta be  
So cold, whoa, whoa  
Let's go

Thunderstrike in one, two, three  
Watch me move my dancing feet  
I'm the best in here  
You just don't know  
You just don't know  
How come you don't look at me  
There's so much for you to see  
I'm the best in here  
You just don't know  
You just don't know

Step back, step back, please  
Whole place 'bout to freeze  
When I'm switching, switching knees, ooh yeah

If I could bring only one thing to an island  
It would be you, that's enough to survive it  
Not even tipsy, you just get me excited  
You just don't know, just don't know

I'm wiggling baby, I'm like a crazy cartoon  
I'm like why you not in love, yeah, why you gotta be  
So cold, cold, whoa  
Let's go

You just don't know

Ah, she like to dance, I'm like, whoa  
Invite your friends but she don't want  
Don't wanna dance, don't wanna dance  
Don't wanna dance with me, dance with me
