

Windy

Scarlet Pleasure

Oh, bitches with ambition
Get down in position
Know I care for you
I know you're looking alright
When you're bouncing in the sunlight
With your golden tail

I wanna feel your body, are you free for the next hour?
I wanna stay in bed, and dispose it in my head
I'll go from tip to toe, and trying to let you know that
I can't get enough of you, boo
Don't stop the things you do
Baby, yeah baby
This wintertime is windy
I'm a tamagotchi, give me a life
We'll travel to the ocean, watch your every motion

Come on love, love
Pretty love, love
I need some of your loving
Please tell me where we're rushing
Come on love, love
I need you, you, you, you, you

I knew you're up for something
When I caught your body bumping, up against the wall
Got an incrypt in my sceptre, no wonder that I kept her
Can't her far so long, oh

I wanna feel your body, are you free for the next hour?
I wanna stay in bed, and dispose it in my head
I'll go from tip to toe, and try to let you know that
I can't get enough of you, boo
Don't stop the things you do
Baby, yeah baby
This wintertime is windy
I'm a tamagotchi, give me a life
We'll travel to the ocean, watch your every motion

Come on love, love
Pretty love, love
I need some of your loving
Please tell me where we're rushing
Come on love, love
I need you, you, you, you, you
