

# Melanin

ScarLip

Just tellin' you  
Better chill, bitch  
'Fore I fuck your little musty ass up  
Snoop Dogg lookin'-ass bitch, stop fuckin' playin' with me  
Beat you the fuck up, word to my dead mans, grrah, grrah

Look at all this melanin  
Boy, you better keep up  
Look at all this melanin  
They say I'm a diva  
Look at all this melanin  
Don't you hear me bouncin' through your speakers?  
Pretty like Lupita  
Curvy like Celina  
Hotter than Sametha  
Blowin' like Aretha  
Why don't you introduce yourself? It's fans that wanna meet you  
My name's ScarLip, not Scarlett  
I'm a saj and I'm 5'6"  
Hoes mad I'm his top pick  
And I'm bad as hell and I'm dark skin  
We don't hate in here  
Do your thing 'cause we don't hate in here  
We don't hate in here  
Do your thing 'cause we don't hate in here

I'm really heaven-sent  
Mama always told me, she said, "Never let the devil in"  
I got you, mama, I won't never let the devil in  
Boys up in my yacht, of course, look at all this melanin  
Look at all this melanin  
They don't want no smoke with me  
Look at all this melanin  
They don't want no smoke with me  
Look at all this melanin (Look at all this melanin)  
Look at all this melanin (Look at all this melanin)

Only fuck with people that's gon' fuck with me  
I don't got no beef with y'all, y'all bitches is ugly  
Y'all bitches in hard to find, y'all bitches be quick to line  
Leave a scar up on your fuckin' lip if you don't give me mine  
Them niggas never be outside, so it's kind of hard to get 'em  
Chopper go berserk, it was bananas from the way from the way it split 'em  
I don't do rap beef, bitch, I'm beefin' with your ghost writer  
Hit 'em with the mm-mm, then hit 'em with some more fire  
More fire, more fire

I'm really heaven-sent  
Mama always told me, she said, "Never let the devil in"  
I got you, mama, I won't never let the devil in  
Boys up in my yacht, of course, look at all this melanin  
Look at all this melanin  
They don't want no smoke with me  
Look at all this melanin  
They don't want no smoke with me  
Look at all this melanin (Look at all this melanin)  
Look at all this melanin (Look at all this melanin)
