Listen out Pluto
Listen out Pluto

I'm from a place where we don't do no rattin'
Nigga, just tell me what happened
Nigga got caught with a- (Mmm)
Stopped with a- (Mmm)
Nigga got left with a- (Mmm)
Hold on, wait- (Mmm)
Stopped with a- (Mmm)
Nigga got caught with a- (Mmm)
Hit with a- (Mmm)
Nigga got left with a- (Mmm)
Get swept with a- (Mmm)
Nigga got caught with a- (Mmm)
Wet with a- (Mmm)

The scar on my lip, it don't bother me
And that's why they look at me awkwardly
Give a fuck what they say, they ain't stopping me
Just don't move stupid and watch how you talk with me (say it, what?)
Bet he won't say it, say it, don't spray it
Act like you tough and get left on the pavement
Bitch, you a goner, you here no longer
Stay in the field, you would think I'm a former
Kitty go splash, splash
This how you get rich fast
You go get the big bag
How you marry a rich guy?

I'm from a place where we don't do no rattin'

Nigga got left with it
Drippin' in Gucci, I'm dressed with it
Ain't gotta flex, I was blessed with it
If it ain't Molly on walk, I can't mess with it
Never mix pussy with business
That's how a gangster turned into a victim
A project baby, I come from the system
Who would've thought I'd get signed for four million?

I'm from a place where we don't do no rattin'
Nigga, just tell me what happened
Nigga got caught with a- (Mmm)
Stopped with a- (Mmm)
