

Ohh!

There is a war in my fucking head

I'm crazy, I'm sure

All I see is coffins, coffins, coffins, coffins

All I see is coffins, coffins, coffins, coffins

What the fuck are you looking at?

Aghh! You triggered my PTSD

Bitch you don't know me

(Ooh!)

I'll put your body in the floor today

I'll put your body in the floor today

Motherfucker, I'll put your body in the floor today

Six feet, six feet, six feet

Ohh!

There is a war in my fucking head

I'm crazy, I'm sure

All I see is coffins, coffins, coffins, coffins

All I see is coffins, coffins, coffins, coffins

All I see is-, all I see is-, all I see is-, all I see is-

Ohhhhhh

There's a war, motherfucker there's a war, there's a war, there
's a war

Six feet, six feet, six feet

All I see is coffins, coffins, coffins, coffins

All I see is coffins, coffins, coffins, coffins

All I see is coffins, coffins, coffins, coffins

All I see is coffins, coffins, coffins, coffins

All I see is what?
