

Get Him!

Scarlxrd

He's coming to get you
I got so afraid I ran, I ran
Mi nuh waan nobody ah talk to

Nah, what? (Move!)
Who the fuck thought I was done? (Mad)
No pain, not ready like, uh
Seen everywhere, everything I'm sick of everyone (Ugh!)
So stay back, steady on (Steady on)
You dumb? I am the wrong nigga (Move!)
My dogs will foot stomp anyone
Say the word, Scar: "Get him"
Fuck (Fuck, arf)

I ain't seen daylight in three days
Been going in, you dickhead (Fuck off then)
I'ma spend what I got oh my God I can't take all this shit to my grave
Are you dumb or a dickhead?

Heavy when I drop full stop
I'm scorching again, it's mad
Heavy with the mods I've got might torture your friends like
Nightmares got you sweating
Burn with the rest oh
Spit fire cut deep, leave burns in your head oh
And I can't keep stalling
Roll with the blows now I can't see stardom
Slow with the choke
Keep a tight squeeze often
Can't stay afloat with a hole in your arsenal
Dick head
They sink now I'm laughing
Kept shit passive
Hiding all my passion
Okay let's see who's a mad man
Half of me's a villain put the hero in a casket
Seen everything, everywhere, I'm sick of everyone
Seen everything, everywhere, I'm sick of everyone
Seen everything, everywhere, I'm sick of everyone
Seen everything, everywhere, I'm, sick of everyone
Sick (Fuck, arf)

I ain't seen daylight in three days
Been going in, you dickhead (Fuck off then)
I'ma spend what I got oh my God I can't take all this shit to my grave
Are you dumb or a dickhead?
Fuck off
