

## Hate Sxng 2

Scarlxrd

And reacts different and unpredictably on each individual user of it, occasionally with disasters resolves

Plague

Hellsing

Weh di bloodclaat do yuh? Siddung, siddung

Zero, zero, zero, zero (What?)

Don't be fucking blind of what's in front of you

Delusion got you stuck, turn 'round and run away (Die)

I see it in your eyes, you think this can't be true

The bullshit you believe in, makes you suffocate, ugh

This is your last breath (You lie)

This is your last breath

Mental health is declining, fuck it, I still make movements

Rather suffer in silence, I ain't gotta flex improvements

Fuck that hood on my head, it's like that pussy, if you try me today you're stupid

Fuck the gang that you're with, pay the man in the whip, that's a drive-by shooting

I hate this fucking place

I hate this fucking game

I swear it's all the same

We're the cancer

You crossed the fucking line

I put the curse in place

Motherfucker, I'll haunt you forever, argh

This right here is admission of guilt

I'll fucking kill you

You're the screaming voice in my head

I'll fucking kill you

I don't know where to go

Everybody that I love now hates me (Wheel!)

What have I done?

Everybody that I love now hates me

Me no wan' nobody ah to talk to me right now, hear? Everyting alright, ready? (Yuh, Scar)

What's the answer? I don't have answers (Pull up, pull up, wheel!)

Hurt from my mantra, I lie to myself, uh (Pull up, pull up, wheel!)

This disaster worthless, no?

Master Rogue, I go faster

Bitch, I'm my own God

(Pull up, pull up, pull up, pull up)

Argh, you won't survive war with me

Brr, argh! (Oh)

I don't know where to go

Everybody that I love now hates me

What have I done?

Everybody that I love now hates me

I don't know where to go

Everybody that I love now hates me (Wheel!)

What have I done?

Everybody that I love now hates me
