

# MXRE BRICKS.

Scarlxd

(MUNEYLRD)

Yeah, I'm on some stuff  
I might fuck  
Can't feel my  
Am I, uh  
Am I safe?  
Scarlxd, yeah, yeah

Ain't wastin' no time, I got wallet, oh my  
I double the prices, get more bricks, oh my  
I feel like I've been here before, shit, oh my  
Can't massacre me to the fallen, oh my  
Ain't wastin' no time, I got wallet, oh my  
I double the prices, get more bricks, oh my  
I feel like I've been here before, shit, oh my  
Can't massacre me to the fallen, oh my  
Truth is that I'm reckless, still full tension on my back  
Countin' all my prices, can't believe how much I made  
Took it all to make sure when you listen but you're back  
Karma is a bitch and she might get you in a trance

Livin' in my pad without a phone (Yeah, yeah)  
Don't try call me up unless it's close (Unless it's close)  
I'm so distant from these trolls (Yeah, yeah)  
Make tracks on my rise and all these shows  
Back and I'm better, feel like I'm tiller  
I never hide it, showin' all feelings, uh  
Clearly the winner, they cannot silver  
Sometimes I'm vibin', mostly I'm bitter, huh  
Back on the road, cash in my car  
Currency's foreign, stash it at home  
Quicker than most, feel like I'm Bolt  
So much to conquer, I need a boat (Yeah, yeah)

Ain't wastin' no time, I got wallet, oh my  
I double the prices, get more bricks, oh my  
I feel like I've been here before, shit, oh my  
Can't massacre me to the fallen, oh my
