

NIKEFACE

Scarlxrd

Drippin' (Drippin')
In my Nikes, ah, shee
And my Northface
Match the Nikes
(Let me go again, let me go again)
Yeah, drippin'
In my Nikes, ya
My North Face
Match the Nikes, yeah

Lean on my life like a booster
Still do the things that I choose to, uh
My shorty playing me gusta (Ah)
Bags under my eyes 'cause I do this, uh
Oh no, that's so discreet, oh
Now my life's so beastly, oh
Back seat, top down, proceed, uh
They're not coming with me now
I got it definitely, why should I wait?
I want the bigger notes all in my face
Been blowing up like I'm part of the wave
No motherfucker is taking my place
Yeah, I just tear it up, tear it up, oh
Yeah, I just tear it up, tear it up, oh
Yeah, I just tear it up, tear it up, oh
Yeah, I just tear it up, tear it up, oh
Airtight seal not crackin'
Oh, bro, we're not slackin', uh, yah
Least I know I'm back in
I could leave a head top bangin'
Wish I'd post all day
Money comin' in, I'm laughin', uh, yah
Why would I fill up the whip?
Too many bags of Jäger, uh

Drippin' (Drippin')
In my Nikes, ah, shee
And my Northface
Match the Nikes
(North Face match Nikes)
Drippin'
In my Nikes (In my Nikes)
My Northface
Match the Nikes
(Northface match Nikes)

I got it definitely, why should I wait
They don't make sense to me, they want the case
I know my tendencies don't match my age
When have I ever been out of my lane
Oh boy, that's so discreet, oh
Now my life's so beastly, uh
Back seat, top down, proceed, uh
They're not coming with me, no
Tell them I'm cold and I'm distant, uh
Tell them to keep back distance, uh
I wanna roll with my pistol, uh

They wanna know 'bout my business, uh
Bro, we don't talk, we just listen, uh
They cannot take down my digits, uh
I wear the black when I'm twisted, uh
Then I get back to my meaning

Drippin' (Drippin')
In my Nikes, ah, shee
And my North Face, ah
Match the Nikes, yeah
Drippin'
In my Nikes, yeah
My North Face
Match the Nikes
