

NX PRESSURE

Scarlxrd

Yeah
Let's get this right
Old Scar
No pressure
No
Fuck this shit man
No
Aye

Believe they came to save you
But they can't sleep enough
Hold up whip
And head down
I'm leaving
Plan the running
Took me to their death
I'm done with smiling in meetings
Cause shits don't wanna have fun
All the guards are pissed off
Believing that I keep front face if I sleep at night
I don't believe you guys anymore
I don't believe in lies no more
I don't care about conscience
I'm psycho
I'm taming to go where I want
Scarlxrd shake his mask or what
Fuck up your set
Gonna get fucked
I send ten sets to my family
Broke your tour yard and get tough
Uh no you won't
Hoping it gets to fuck you up
I'm one of the stars that you piss me off
Living inside
Is it serious
I look in the mirror
Who is this
Inside the beyond yourself
I focus on pulling my business
Don't give no fucks about you

Hey
I don't wanna play this game no more
I don't wanna make the same mistakes no more
It's like they're pushing me
To like
Get out of my brain
Hey
I don't wanna play this game no more
I don't wanna make the same mistakes no more
It's like they're pushing me
To like
Get out of my brain

Leave me alone
Make sure you find me some clout
I got money
Young nigga then to owning a home
With that land that I'm building
Then jump in a mosh yeah
I like what I like
Inside on the countryside
Lots of land in my sight
Need to prove I'm on pace
Fuck that shit
Got racks
I make more
Intake more so I don't sell no more
Now that I think about it getting more mode
Keep an umbrella
The magic gon' turn in
I'm flipping the dim in
They gon' take my chance to die to the real end
Making a rack and it's serving

I don't feel no pressure yeah
