KIRAW

Yeah, pft, huh, Scar, yeah

I just took a flick with your bitch, now she all in my ear, tryna figure where my hotel at (Yeah)

Tatted trip 6 on her skin, tryna give her this dick, dark lips so I'm fuckin g her mouth (Yeah)

Slut try tease me, pin her down easy, sup, lil bitch, try play with me now (Uh, uh)

Fuck her till she screaming just like me, she be weak in her knees when I'm blowing her back (Yeah)

I'm lit, oh please, got this money on me, from the shit that I breath, yeah, you know that now

Busty petite with her body on freak when I saw the technique had to pull my phone out (Yeah)

She sent me a flick of her tits and cheeks then I grabbed my wallet then I f lew her ass out

They say that screams just tongue and cheek till I pull up on the scene and shut the shit down (Yeah, oh)

Yeah, she want me, but I'm bad (Uh, yeah)

I like pussy, I like cash (Yeah)

Yeah, I turn up with my gang (Uh)

I bought that burner in his hand (Yeah)

Clear your locker, boy, you trash (Yeah, yeah)

Watch me prosper 'cause I can (Uh)

Both my pockets filled with racks (Yeah)

I smell like smoke, it's from burning these bridges

They see me move faster than most of their digits

It's easy for me, I don't care if I fit in

The LXRDFAM, they got me, they tap in and listen

They trusting me with it, they know I'ma kill it

When I was down broke had to get a new mission (Okay)

Decisions, I make them and risked all my millions (Uh)

The feelings of feeling too weak, I got rid of it (Move)

Building the life that I seek, I'm fulfilling it

Rather live life by the beach with a billion

I get it, I'm selfish and really delirious

I pray to the paper, can't share my religion

The money keep coming in making me vicious

I move like a knight, I's gone change my position

No ones insight from this crib that I'm building

I got me some acres, the bunkers legitimate (Move)

Got a little taste for hate now, they can't move right, had to leave them at the gate

Lil nigga really change sides, but it's not my life so I can't complain

Keep on filling up my time with a list of rhymes longer than they face (Doo-doo-doo-doo-doo)

They're pissed I got mines while they still sitting in the same damn place (Yeah)

Fuck all that internet talking (What?)

I'm in the dungeon recording

This bitch, she thought I was awkward

I'm never shy, I'm too forward (Yeah)

Sitting here makes me feel nauseous (Yeah)

Ain't got no feels, just tap her then dip
Yeah, the way that I live is distorted

The first time that I gave a fuck was the last time that I gave a fuck
The first time that I gave a fuck was the last time that I gave a fuck
The first time that I gave a fuck was the last time that I gave a fuck
The first time that I gave a fuck was the last time that I gave a fuck
The first time that I gave a fuck
Was the last time that I gave a fuck (Fuck, fuck, move)
The first time that I gave a fuck
Was the last time that I gave a fuck, fuck, fuck
