Rage Quit

Scarlxrd

Pussy, niggas, ain't shit
All those shots be advice, bitch
I'll cop a flight to Japan, yeah
I like to run up the banks, yeah
You cannot fuck with the clan, yeah
My niggas always throw hands, yeah
Oh that's your girl my bad, fuck on your bitch while she stands
Don't call me like my cell phones dead
Ridicule niggas with the hype on red
Now I see red, I throw my stuff everyone scared in here
My shits tearing off ears
Tear shit down no running no gears
Drop some tracks and really went clear
How do you stand and stare
Running up the levels like stairs, ay
I will never tell her if I care, ay
Really got me thinkin' I'm the man of the year, hold up
I'm the man of the year in here, okay
I write bars and smoke all day, you see me watch what you say
One phone call, the mandem chase, and they will double up like the plague

I'm just way too wavy for you niggas, oh
I can never kick it with you niggas, oh
Better have some heaters in the kitchen, oh, yeah
I be cookin' I'm like Jesse Pinkman, oh, yeah
Run out my way, still got the check on my waist
I never wait, I cannot see what they say
I'm startin' to feel like my liquor is laced like ou
I wanna double my cash, now
I got some shit in my bag, yeah
So many things on my back, ay
I want a house with the pad, ou
I just really wanna get paid, yeah
Really keeps the smile on my face, yeah
No one's in my way, yeah
Time to get out the way yuh yuh, okay
All my life I saw, I will make it there I swear
This is my control, get it how I want it yeah

Pussy niggas ain't shit, all those shots be advice bitch
I'll book a flight to Japan, yeah
I like to run up the banks, yeah
You cannot fuck with the clan, yeah
My niggas always throw hands, yeah
Oh that's your girl my bad, fuck on your bitch while she stands
I'm going fuckin' insane
I'm bout to blow this shit right in your face
I took a shortcut to win every race, damn
I should've worn me a cape, damn
A couple friends in Japan, yeah
I like to run up the banks, yeah
You cannot fuck with the clan, yeah
My niggas always throw hands, yeah
Fuck
