

Run!

Scarlxrd

Ayy, yah yah, yah yah yah, Scarlxrd
Japanese ad-lib
Scarlxrd, ha, yah yah yah, blegh, eyah
I-I-I-I-I wanna see you run, eugh, die
I-I-I-I-I wanna see you run, fuck

Take a trip down memory lane, don't forget what you think, hey
You see hatred in my eyes but peace is still my thing, yah
Maybe I'm just fed up of this shit, it's all the same
I'm a fucking Gemini, I'm super split inside my brain (yah, eyah)

Raising up stakes and yes, I gotta do this
I'm fluent and clued up on all of my movements
Yes, there is a reason why I gotta do this
I'm 'bout to go viral, a nigga's not stupid
You think I give a fuck?
Hold onto your trust
I'm right behind you
I-I-I-I-I wanna see you run, eugh

Die, I wanna see you run

Scarlxrd is a king and yeah, I'm owning all this land, ayy
All you niggas quit right now, I'm killing all these tracks, ayy
I might take a break from music then go hit my dance, ayy
Dougie in her pussy when I hit it from the back, yah yah

Fuck, die, eugh, fuck, blegh, die
Japanese ad-lib
