Someone spit on this fucking mic, man  
Is that Shoki on the beat?  
Yeah it is, ah, ey, chee

Step on my shoes  
You firin' higher than moon (Moon)  
I've gotta you droppin' your prove (Yeah)  
But promise, I only stay wrong (Yeah, yeah)  
I know where I grab, will I do? (I do)  
We sits in a plannin' that truth  
I'm mockin', that's not even do  
I've got so bullied enough (Move!)

I just got way bigger, man  
My two sense got me bigger 'plex  
I do this 'cause I'm really clad  
My movement can be beaten fair  
Scan you like a bar-code  
All those pills are hard to swallow  
I see D-stars in the fallow  
Distract your mind for you, asshole (Ha-ha)  
Come with that shit  
I'm will fall in the beats  
I keep to collect my pith  
Bring all when niggas they leave  
I always I wanna think  
Passed my hold of my skin  
Normal, far with it  
I talk that with all the states  
Move, and it gets to the lib  
Acres on heaven gon' keep  
I git that more like a rig

She so love it sickly, yeah  
Will just rollin' with me? Yeah  
Awakely, so quickly, yeah  
No can give my city, yeah  
What they down, I wastely, yeah  
Paranoia - people's star  
Got that pushin' with me, yeah  
I don't needed in mine, yeah

Step on my shoes  
You firin' higher than moon (Moon)  
I've gotta you droppin' your prove (Yeah)

Nigga, why you movin' your pace?  
I sprintin' that shit of my pray  
I should go take a break  
We're nigga we down the patience  
I see the wave of the hate  
Keep that suit up on my face  
You know, I feel what I waited  
Keep that suit at the ladies

She so love it sickly, yeah  
Will just rollin' with me? Yeah  
Awakely, so quickly, yeah  
No can give my city, yeah  
What they down, I wastely, yeah
