

I just took a look on my phone
Quick swipe then I'm backing being ghost
Now they realise I'm goat
Everything of mine is dope (Move)

Haha, yeah, scar
Hey Tom, I just heard a rumor there's gonna be a layoff
Think there's anything in it?
WNDWS
Yeah
Pull, pull, pull up that boy, wheel up!
Wheel
Ay, ay, yeah

Distance, distance, I need distance, I just want some distance
Figures, figures, I count figures, everyday more figures
Bleeding, bleeding, bitch you're bleeding, oh shit, I just killed 'em
Made my way to the top, did it in an instant

Slow down, it's getting easy, blessed when I play
Lock down, despair to meaning, common display
Oh well, fuck it I'm balling, money to waste
Drop down, better believe, I'm never okay
I am the God, I'm a prophet (yeah)
Everyone vibes to my product (yeah)
I level up when they talk shit (yeah)
Obviously killing my targets (yeah)
Hoe, why the fuck are you talking? (yeah)
I only saw cus' I logged in (yeah)
I feel the hate when I walk in (yeah)
Lately I'm killing shit often (yeah)

I just took a look on my phone
Quick swipe then I'm backing being ghost
Now they realise I'm goat
Everything of mine is dope
Better keep quiet, I'm pro
Quick cash in my hand for a show
I remember them times being broke
Now, Young Scars switching up tones

Too sick
Stanley knife, no Kubrick
Can't decide on movements
Jobs on site, then do it
(Do it, nigga)
Dripping in class, not rough
Giving straight facts, no bluffs
Niggas back track then run
Better move fast, no love
Now I'm the wave
I'll got you saying you feeling the motion though
The oceans so wavy, you'll drown while the ocean is rough
I am the wave
You know it's true
The ocean might tip you up now that the ocean is rough

Distance, distance, I need distance, I just want some distance
Figures, figures, I count figures, everyday more figures
Bleeding, bleeding, bitch you're bleeding, oh shit, I just killed 'em
Made my way to the top, did it in an instant
Distance, distance, I need distance, I just want some distance
Figures, figures, I count figures, everyday more figures
Bleeding, bleeding, bitch you're bleeding, oh shit, I just killed 'em
Made my way to the top, did it in an instant
