

Tell Me Why

Scarlxrd

Cruisin' with the windows down
Say your prayers if you're scared, hahahahaha
Say your prayers if you're scared, your life will fucking end,
blergh

Tell me why (Die, tell me why) ("Wheel!")
Tell me why (Die, tell me why)
Tell me why (Tell me why, fuck)
Tell me why (Tell me why)

Back in my element, serious, I got the torch, I'm delirious
You're the inferiors, I take a shot if I'm curious (Yeah)
I double down if I feeling it
Really, I'm feeling it, yeah (Okay)
Really I killed it, yeah
I buy the ground and the building, yeah (Yeah)
I'll never change up my feelings, yeah (Yeah, what?)
I just get back to the real shit, yeah (Move)
Still got the racks in the ceiling, ayy (Ayy)
Gotta look down for the meaning, ayy (Yeah-yeah-yeah)
Living so passive is easy, yeah
Hide in plane site with the demons, yeah
I thought you sick of the screaming, ayy (Yuh)
I live my life so convenient, ayy (Okay)
I took a sip, now I'm leaning, ayy (Yeah)
Get to the bag and stay scheming, yeah (Yeah, uh)

T- t- tell me why we can't stop
Tell me why I can't stop
Tell me why it's on us
Tell me why I give a fuck

Yeah, uh, okay, okay, uh, ayy
Say your prayers if you're scared, your life will fucking end,
blergh (Ayy, ayy, ayy, move)

Tell me why (Die, tell me why)
Tell me why (Die, tell me why)
Tell me why (Ayy, ayy, fuck)
Tell me why (Tell me why)

T- t- tell me why we can't stop
Tell me why I can't stop
Tell me why it's on us
Tell me why I give a fuck
