

YSL, oh-oh-oh  
I love my YSL in my bones  
And even why entail, let me go-oh-oh-oh

Ayy, I can't decide, uh, I'm fallin' off track, uh  
Care 'bout the balance, I'm keeping my eyes open to plans, ayy  
Blessin' advantage, I'm seeking the skies, it's a demand  
Nobody can fathom my flawless disguise, uh, right down to the f  
ans, uh, what?

I almost got a good day but I'm ambitious  
Record tracks in the hallway and in the kitchen  
I'm far from in my young my way, my disposition  
I tell my issue your way, y'all need to listen

YSL, oh-oh-oh  
I love my YSL in my bones  
And even why entail, let me go-oh-oh-oh  
YSL, oh-oh-oh  
I love my YSL in my bones  
And even why entail, let me go-oh-oh-oh

Ayy, I can't decide, uh, I'm fallin' off track, uh  
Care 'bout the balance, I'm keeping my eyes open to plans, ayy  
Blessin' advantage, I'm seeking the skies, yes, it's a demand  
Nobody can fathom my flawless disguise, uh, right down to the f  
ans, uh, what?
