

Killing Spree

Scars on Broadway

Something is coming around, can't you see?
It's got me goin' goin' out of my mind
Something is coming around, can't you see?
It's got me goin' goin', got me so blind
Just like a tiger that's riding on your back
And it's singing out "Raor, raorrr"
It's such a pity that you didn't brace for the attack
'Cause it's gonna go "Waow, waowww"

Insanity
Controlling me
Society
The kids are on a killing spree

Something is coming around, can't you see?
It's got me goin' goin' out of my mind
Something is coming around, can't you see?
It's got me goin' goin', got me so blind
I'm gonna run to see my baby, hear my baby all the time
I'm gonna run to save my baby, goin' crazy in my mind

Insanity
Controlling me
Society
The kids are on a killing spree
Insanity
Controlling me
Society
The kids are on a killing spree

Wish I could feel your hate
And brutalize
Wish I could feel your love
And victimize

Something is coming around, can't you see?
It's got me goin' goin' out of my mind
Something is coming around, can't you see?
It's got me goin' goin', got me so blind
It's gonna feel like a Jesus comin' back
It's gonna feel like the devils on the attack
It's gonna feel like a shot of fuckin' smack
It's gonna make you motherfuckin' cry

Insanity
Controlling me
Society
The kids are on a killing spree
The kids are on a killing spree
