

# You Destroy You

Scars on Broadway

There you go  
Goin' crazy  
Goin' crazy like you do  
While I sit back  
Watching you destroy you

You just spill  
Spill your guts out  
Spill your guts out through your mouth  
While I clean up  
All the things that you throw out  
Life just keeps movin' away  
So here's to memories of yesterday

I can see  
I can see easily  
I can see easily where you are  
You ended up  
In a place that's gone too far

Where life just keeps movin' away  
So here's to memories of yesterday  
Life just keeps movin' away  
So here's to memories of yesterday  
Yeah  
Here's to memories of yesterday

There you go  
Goin' crazy  
Goin' crazy like you do  
While I sit back  
Watching you destroy you
