

BDSM

Scene Queen

You can't do that
Beat down slut metal
You can't do that
Hit 'em with the drop pedal
You can't do that
Beat down slut metal
You can't do that
Bimbocore next level

Give me a BDSM
Scene Queen hates men
Give me a BDSM
Scene Queen hates men

Big dumb stupid men
Make 'em all afraid again
You're a two, I'm a ten
Go ahead and pitch a tent
Two fan chumps
And they're crying in the pit
They say I suck
Like their girl on my clit

Beat down slut metal
Hit 'em with the drop pedal
Beat down slut metal
Bimbocore next level

Give me a BDSM
Scene Queen hates men
Give me a BDSM
Scene Queen hates men

Oh so you hate me
Well I hate you more
I got an 8-string, label, and a sold out tour
You wanna face me
Meet me at the venue door
I'll make the bimbos take your ass down to the morgue

Give me a BDSM
Scene Queen hates men
Give me a BDSM
Scene Queen hates men
