

# Bring It On

Scene Queen

I'm messy I'm edgy  
They hate that I'm heavy  
I'm thriving can't stop me  
These boys they just copy  
More Courtney, more Poppy  
The scene girls they got me  
Christina and Britney  
I'm Whitney  
Zach hit me

Mama she told me if you act polite  
They'll push you and push you  
I guess she was right  
So I'll pour me a drink and I'll take off my coat  
Then smash it on the table hold the glass to your throat  
I double down

Bring it on, bring it on  
I shut it down  
Bring it on  
Bring it  
Oh my god Ronnie  
Bring it on, bring it on  
Bring it  
Bring it on, bring it on

I'm messy I'm edgy  
They hate that I'm heavy  
I'm thriving can't stop me  
These boys they just copy  
More Courtney, more Poppy  
The scene girls they got me  
Christina and Britney  
I'm Whitney  
Don't at me
