

# Finger

## Scene Queen

Stick it and grip it and click it like a picture  
And you lick it and flick it like you're pulling on a trigger  
Stick it and grip it and click it like a picture  
And you lick it and flick it I love the way you finger

In and out up down you now you got the cheat code  
In out up down till you get the big O  
Side to side  
Open wide  
On my face  
Take a ride  
Giddy up it's time to buck I'm your little pony  
Go to town and make you sound just like macaroni  
Say you wanna go another round  
Time to bend me over  
Cuz it's my turn now

Looking at me come on open up your mouth  
Use your tongue please show me how you spell it out  
Start out nice and slow  
Finger on your mark  
Go

Stick it and grip it and click it like a picture  
And you lick it and flick it like you're pulling on a trigger  
Stick it and grip it and click it like a picture  
And you lick it and flick it I love the way you finger

Wet and wild  
Puppy pile  
Got me with my tongue out  
Wet and wild  
Versatile  
Switching now I'm face down

Call you daddy I can be mommy  
Drink my pink and slurp it up sloppy

Looking at me come on open up your mouth  
Use your tongue please show me how you spell it out  
Start out nice and slow  
Finger on your mark (fuck)  
Go

Stick it and grip it and click it like a picture  
And you lick it and flick it like you're pulling on a trigger  
Stick it and grip it and click it like a picture  
And you lick it and flick it I love the way you finger

Show me God  
Get on top  
With your heavenly body

Show me God  
Get on top  
With your heavenly body

Show me God  
Get on top  
With your heavenly body

Show me God  
Get on top  
With your heavenly body

If god hated gays  
The sex wouldn't be so good

Stick it and grip it and click it like a picture  
And you lick it and flick it like you're pulling on a trigger  
Stick it and grip it and click it like a picture  
And you lick it and flick it I love the way you finger

Stick it and grip it and click it like a picture  
And you lick it and flick it like you're pulling on a trigger  
Stick it and grip it and click it like a picture  
And you lick it and flick it I love the way you finger
