

# Pink Whitney

## Scene Queen

This song is about burning down the establishment  
'Cause they don't pay you enough  
(Boom)

I pay your bills but it don't add up  
I hit and run, pink Tonka truck  
You say my name 'til the deal is shut  
(We know Scene Queen!)

No, I don't like this, I don't like you  
You can't do shit that I pay you to  
You're on my hit list, and bam I shoot  
(Kill-kill-kill shot!)

Pop the glitter in the Molotov  
You don't wanna set me off  
(Bang bang da bang bang da bang bang)  
(Bang bang da bang bang da boom)

Pink Whitney, fuck with me  
If you're broke, don't hit me  
Pink Whitney, come get me  
Bad bitch, take your bullshit and miss me

Ah!  
La-la-la-la-la-la  
Boom!

Where is my bag bitch? (Where is my bag?)  
Scene Queen's a savage (Savage)  
When I'm pulling up to the office  
I take what I want, there's no asking (Give me that shit)  
Where is my bag bitch? (Where is my bag?)  
Give me the bag bitch (Where is my bag?)  
Pay it in full, or I'll rip up my nails  
And you're getting your ass kicked

Rich bitch can't pay my expenses  
Queen for a day like I'm fucking Vic Fuentes  
(Bang bang da bang bang da bang bang)  
(Bang bang da bang bang da boom)  
(Huh!)

Pink Whitney, fuck with me  
If you're broke, don't hit me  
Pink Whitney, come get me  
Bad bitch, take your bullshit and miss me

No, I don't like this, I don't like you  
You can't do shit that I pay you to  
You're on my hit list, and bam I shoot  
(Bang bang da bang bang da bang bang)  
(Bang bang da bang bang da boom)

It's my money and I want it now!  
(Boom)
