

## Dream of you

Schiller

I've been here all the time  
As far as I know doing right  
I've always waited for the moment  
That you would come through my door  
But this brought loneliness so far  
I lay my hand onto my heart  
Is this the life I want to live  
Is this the dream I had of you

But this brought loneliness so far  
I lay my hand onto my heart  
Is this the life I want to live  
Is this the dream I had of you  
The dream I had of you

The dream I had of you

Now I'm standing here alone  
Waiting on my own  
For something that will fill the emptiness  
Inside the moment that you mind  
But this is loneliness I know  
I lay my hand onto my soul  
Is this what life has got to give  
Is this the dream I had of you

The dream I had of you

But this is loneliness I know  
I lay my hand onto my soul  
Is this what life has got to give  
Is this the dream  
The dream I had of you
