

# Sleepy Storm

Schiller

On the way with bow and arrow  
Try to find this thing to shoot  
Be on the hunt with bow and arrow  
It's a very different trip  
Dangerous but necessary  
Yes I know  
The ice is too thin to walk on  
Yes I know  
The path too narrow to walk on

Sleepy storm  
Where is your beating heart today  
Hey sleepy storm  
Would I choose to walk or stay

Sleepy storm  
Where is your beating heart today  
Hey sleepy storm  
Would I choose to walk or stay

On my way with bow and arrow  
To be on the safe side  
Until I lost sight of the land  
Far into the night  
Be on the hunt with bow and arrow  
With bow and arrow  
Shall I find your hiding place  
Yes I know  
The ice is too thin I walk on  
Yes I know  
The path too narrow I walk on

Sleepy storm  
Where is your beating heart today  
Hey sleepy storm  
Would I choose to walk or stay
