

# Mixed Up

**Aliocha Schneider**

Cheating singer, indie husband  
Oscar winning politician, crooked actors  
Underrated job, boob masterpiece  
Dancing glass, half empty couple  
We're all mixed up we need to be fixed up yeah  
Sign of passion, crime of hope  
I sell fire, play with dope  
Environment time, precious minister  
Pouring pledges, broken rain  
We're all mixed up we need to be fixed up yeah  
Sad cop, undercover clown  
Ghost memory, short term town  
Sexual treaty, peace education  
Gender roulette, Russian freedom  
We're all mixed up we need to be fixed up yeah  
We're all mixed up we need to be fixed up yeah  
Silver woman, pretty medal  
Free gun, speech control  
We're all mixed up we need to be fixed up  
We're all mixed up we need to be fixed up  
We're all mixed up we need to be fixed up yeah
