Aliocha Schneider

Didn't have a lot of money  
Six children call him daddy  
Sells cigarettes on the streets  
Four children, they gotta eat

He gave'em love he taught them peace  
They grew in dignity  
No, I can't breathe in this world anymore

Mr. Pently wears the uniform  
A million people call him officer  
He roams the streets feeling like a man  
Now he's got a gun, now he's got the power  
No, I can't breathe in this world anymore

Mr. Ramsay couldn't believe what it seemed  
Took his phone and filmed the scene  
"I can't breathe, I can't breathe" said Mr. Garner  
Pently choked him dead  
No, I can't breathe in this world anymore

Mr. Ramsay's in jail  
Mr. Garner is dead  
Pently is running free  
Mr. Ramsay's in jail  
Mr. Garner is dead  
Pently is running free

No, I can't breathe in this world anymore
