

Trance Figure

School of Seven Bells

What visualization makes you the most effective
If gods and idols are vessels that house our intentions most certainly
All things are visualizations
Calling alala electro socket gibberish nannananana

If I were dreaming there would be no questioning this hard labor
Of beauty which you flew in as falling through water
There would be

There would be
There would be
There would be

No terror there would be no refrain just transforming to gain
Access to the storyline and flex like a board has character
Calling alala electro socket gibberish nannananana

What visualization makes you the most effective
If gods and idols are vessels that house our intentions most certainly

Sha-na-na-na-na-na
Sha-na-na-na-na-na
Sha-na-na-na-na-na

All things are visualizations
Calling alala electro socket gibberish nannananana
