

# You're Only Lonely

Schuyler Fisk

When the world is ready to fall  
on your little shoulders,  
And when you're feeling lonely and small,  
You need somebody there to hold you  
You can call out my name...  
when you're only lonely,  
Don't you ever be ashamed,  
when you're only lonely,

When you need somebody around  
on the nights that try you,  
I was there when you were a queen,  
And I'll be the last one there beside you  
So you can call out my name...  
when you're only lonely  
Now, don't you ever be ashamed  
when you're only lonely

You're only lonely, you're only lonely,  
you're only lonely, you're only lonely  
you're only lonely

When the world is ready to fall  
on your little shoulders,  
And when you're feeling lonely and small,  
You need somebody there to hold you  
Ah, you can call out my name...  
when you're only lonely,  
Don't you ever be ashamed,  
when you're only lonely

You're only lonely, you're only lonely,  
you're only lonely, you're only lonely  
you're only lonely

Ah, it's no crime...darling, we've got lots of time

Ah, there's nothing wrong with you...  
Darling, I get lonely, too

So if you need me, all you have to do is call me  
When you're only lonely  
You're only lonely

When you're only lonely
