

# I Don't Feel Like Dancin'

Scissor Sisters

**D**

Wake up in the morning with a head like 'what ya done?'

**G**

This used to be the life but I don't need another one.

**D**

Good luck cuttin' nothin', carrying on, you wear them gowns.

**G**

So how come I feel so lonely when you're up gettin' down?

**Bm**

**F#m**

So I play along when I hear that favourite song

**Am**

**G**

I'm gonna be the one who gets it right.

**Bm**

**F#m**

You better know when you're swingin' round the room

**Am**

**G**

Look's like magic's solely yours tonight

**D**

R: But I don't feel like dancin' when the old Joanna plays

**G**

My heart could take a chance but my two feet can't find a way

**A**

**C**

**G**

You think that I could muster up a little soft shoe devil sway

**D**

But I don't feel like dancin', no sir, no dancin' today.

**D**

Don't feel like dancin', dancin', even-if-I-find-nothin'-better-to-do

**G**

Don't feel like dancin', dancin', why'd-you-break-it-down-when-I'm-not-in-the-mood?

**A**

Don't feel like dancin', dancin'

**C**

**G**

**D**

Rather behome with no one when I can't get down with you-hoo-hoo

**G C G C G C C# D**

Cities come and cities go just like the old empires  
When all you do is change your clothes and call that versatile.  
You got so many colours make a blind man so confused.  
Then why can't I keep up when you're the only thing I lose?

So I'll just pretend that I know which way to bend  
And I'm gonna tell the whole world that you're mine.  
Just please understand, when I see you clap your hands  
If you stick around I'm sure that I'll be fine.

**D7**

You can't make me dance around

**G**

**B7**

But your two-step makes my chest pound.

**G**

**G7**

**A**

Just lay me down as you blow it away into the shimmer light.
