

# Self Control

Scissor Sisters

Self control  
Self control

I can always watch you  
Breathing in your sleep  
And all I ever wanted was for you to wait for me  
It's hard to take it easy  
When you're not satisfied  
A little death is better with  
Somebody at your side

You need to  
Self control  
Gonna teach you  
Self control  
Just keep staring at the ceiling  
Got to learn to fight the feeling  
Don't let go  
No no  
Of your self control  
Self control

Just pretend you're standing  
High up on this ledge  
Be sure not to look down if you're close to the edge  
Tell me are you listening  
Stay within my voice  
Ain't no rush  
Just feel the push  
Cause you don't have much choice

You need to  
Self control  
Gonna teach you  
Self control  
Just keep staring at the ceiling  
Got to learn to fight the feeling  
Don't let go  
No no  
Of your self control  
Self control

Who has to know  
Who has to know  
Who has to know  
Who has to know

Who has to know  
Who has to know  
Who has to know  
Who has to know

Gonna teach you  
Self control  
Gonna teach you  
Self control  
Just keep staring at the ceiling

Got to learn to fight the feeling  
Don't let go  
No no  
Of your self control  
Self control
