

# Skin This Cat

Scissor Sisters

You got my good, good lovin'  
Within your grasp  
Don't let it throw you  
There's a million million  
Ways to skin this cat  
So let me show you

I got a brand new hook  
To hang your hat  
Tell me baby, baby just where you at  
There's a million ways  
Ways to skin this cat  
So let me show you

And if you get it right  
Get it right  
I'll love you til my ninth life  
Get it right  
Get it right  
I'll love you til my ninth life

My beauty was a beast  
Before I got to know you  
This kitten has a lion's roar  
And she will roll you  
You're not the first tom  
To walk my floor  
So get around the block  
A few times more  
And keep scratch, scratchin'  
At my back door  
And I will show you

That if you get it right  
Get it right  
I'll love you til my ninth life  
Get it right  
Get it right  
I'll love you til my ninth life
