

C'est Bleu

Scooter

Doux, doux, l'amour est doux
Douce est ma vie
Ma vie dans tes bras
Doux, doux, l'amour est doux
Douce est ma vie
Ma vie près de toi

Bleu, bleu, l'amour est bleu
Berce mon coeur
Mon coeur amoureux
Bleu, bleu, l'amour est bleu
Bleu comme le ciel
Qui joue dans tes yeux

Turn it up!

Right, right crew, is everyone in?
Everybody in the place, it's time to spin
Gimme the place when I rock the venue
Better get running cause I'm coming for you

Boom boom, bang bang
Slippy like banana man
Fast track living like the Sheffield gang
A message across, I've got a second sight
Come on posse are you ready for the night?

[Repeat Chorus]

Turn it up!
Yes!
Gotta get strong man
Yeah!
Go ahead

Talent imitates
Genius steals
That's what I mean
Got you under my wheels
I like my beats to roll
Through your mind and soul
More, more, more
Till you jump on the floor
I'm a hardcore mc, get myself in the zone
As living my life is like a world of unknown
After all the years I got bigger and bigger
My barrels full of bullets, now I'm pulling the trigger

[Repeat Chorus]

Watch out
We're gonna kick it
Wild and wicked
Yes!
Go ahead

In a world, where survival is the only rule and

feelings have no place.
Where winning is everything, and weakness is fatal.
How much difference, can one person make?

(Vicky Leandros, auto-tuned)
Bleu, bleu, l'amour est bleu
(H.P., distorted)
Talent intimates, genius steals
(Vicky Leandros, auto-tuned)
Bleu, bleu, l'amour est bleu
(H.P., regular voice)
That's what I mean, got you under my wheels

[Repeat Chorus]

Right about now
Raise your hands
Up to the sky
Raise your hands
Yeahhhh-eahhhh

Bleu, bleu, l'amour est bleu
Bleu comme le ciel
Qui joue dans tes yeux
