

## It's a Biz (Ain't Nobody)

Scooter

Ding din, when I spit it's frightening  
My words - Quicker than lightning  
Ready for the challenge - no doubt  
If you play this, play it loud  
Listen to the bootleg mp3  
Post it on my ftp  
Tick tock bodyrock, lyrical bomb  
Everybody tuned in  
Got another brand new one to spin  
When I say e you say z  
This tune's banging on the M.I.C  
It's me and this is the place to be  
Chattin' pon the mic, I'm gonna flex  
Simply the best  
Mix it down, sweep the mids, make it phat  
Now it's a biz

Captured effortlessly  
That's the way it was  
It happens so naturely  
I did not know it was love  
The next thing I felt was you  
Holding me close What was I gonna do  
I let myself go

And now we fly through the stars  
Want this night will last for ever.  
And now we fly through the stars  
Want this night will last for ever.

So who do you think you are ?  
You will never ever get that far  
Like cheese and crackers, salt and coffee  
When I spit it tastes like toffee  
Mix it down, sweep the mids, make it phat  
Now it's a biz

Ain't nobody  
Loves me better  
Makes me happy  
Makes me feel this way  
Ain't nobody  
Loves me better than you

Mix it down, it's a biz

Captured effortlessly  
That's the way it was  
It happens so naturely  
I did not know it was love  
The next thing I felt was you  
Holding me close What was I gonna do  
I let myself go

And now we fly through the stars  
Want this night will last for ever.  
And now we fly through the stars

Want this night will last for ever.

Ain't nobody  
Loves me better  
Makes me happy  
Makes me feel this way  
Ain't nobody  
Loves me better than you

Ain't nobody  
Loves me better  
Makes me happy  
Makes me feel this way  
Ain't nobody  
Loves me better than you

Mix it down, it's a biz

Ain't nobody  
Ain't nobody
