

Let's Do It Again

Scooter

One, gonna have some fun
Two, gonna rock with you
Three, gonna rock with me
Four, on the dancefloor
Five, till the beat comes alive
Six, you know it's in the mix
Seven, gonna take it to heaven
Eight, we gonna stay all day
Nine, are you feeling fine?
Ten, let's do it again!

Move it!

Welcome, Miss Annie Irvyne!

Yo, get ready to move, feel the bass drop
Hands up high, now it's time to make it pop
Lights flashing, the crowd's getting wild
We're taking over, gonna make you smile
No need to hold back, go ahead and let it loose
Dance like nobody's watching, ain't no excuse
We came to party, we came to ignite
So get on the dancefloor and let's set it alight
Alright!

One, gonna have some fun
Two, gonna rock with you
Three, gonna rock with me
Four, on the dancefloor
Five, till the beat comes alive
Six, you know it's in the mix
Seven, gonna take it to heaven
Eight, we gonna stay all day
Nine, are you feeling fine?
Ten, let's do it again!

Let's do it again!
