

# Alone

Scorey

Tshh, like, this life shit crazy (Shout out to Shaun2Krazy)  
You know, life dangerous, it's like  
You survive all that shit, survive the hood  
Just to make it out with a bigger target on your back, like  
Everywhere you go  
I'm twenty-three years old and it's like, it's rare to make it at my age  
Lotta niggas ain't even make it here, ain't shit, like  
You gotta play it safe, watch your back at all times  
Watch where you go, watch what you say  
Watch who you say it to and when you say it to 'em  
Lotta real niggas ain't make it home  
Long live them niggas, free them niggas  
I don't know

Uh, look, look  
It's 4 A.M. and I ain't get no sleep yet, uh (Get no sleep)  
Can't catch no Z's, thinkin' 'bout bustdowns and jets (Can't catch no Z's, n  
o)  
Where I'm from, remember times I used hustle out the 'jects (Out the streets  
)  
Weighed a hundred forty pounds and was the muscle 'round my set you could sa  
y  
But half the niggas I used to thug with is dead and gone (Is dead and gone)  
And half the bitches I fell in love with done did me wrong (Done did me wron  
g)  
Like half the hoes I put my trust in done played some dumb tricks (Dumb tric  
ks)  
Don't judge these hoes, that's what I stuck with since Tommy Gunz went (Gunz  
went)  
Some niggas changed up for them hundreds I shared my lunch with (My lunch wi  
th)  
I guess that's really what this come with, tryna become rich (Become rich)  
But anyways, on to better things, they've been on the road doin' shows (No,  
uh, uh, uh)

But if you care and wonder where I've been, then I've just been alone  
Lord knows I've been alone (Knows I've been alone)  
It's like I feel the best on my own  
Lord knows I'm on my own (Lord knows I'm on my motherfucking own)  
DND, my blinds closed  
Know I got my blinds closed (Know I got my blinds motherfucking closed)  
Don't want no friends or no foes  
Man, just leave me alone (Man, just leave me alone)

Uh, look  
They said I'm dead wrong, my dead mans don't got no headstone (Don't got no  
headstone)  
Like how it feel to be the one that everyone depend on? (Depend on)  
To be the one they put that stress on could make you less strong (Less stron  
g)  
Claimin' they love you, then they dead gone soon as the check drawn (Check d  
rawn)  
But oh well, I guess it's fine when they get what they wanted (Oh no)  
Same people claim they behind you be the niggas that fronted (That's wrong)  
Oh, hundreds, I risk my life to go and chase me some money (Oh, hundreds)  
So many niggas servin' life that went away before twenty (Oh, oh)  
Too many niggas lost they life that's 'posed be right next to me (Right to m

e)

I keep my pipe, won't let 'em get the best of me (My head on)

And 'cause they killin' talent daily, my location can't be known, I don't know (No, uh, uh, uh)

But if you care and wonder where I've been, then I've just been alone

Lord knows I've been alone (Knows I've been alone)

It's like I feel the best on my own

Lord knows I'm on my own (Lord knows I'm on my motherfucking own)

DND, my blinds closed

Know I got my blinds closed (Know I got my blinds motherfucking closed)

Don't want no friends or no foes

Man, just leave me alone (Man, just leave me alone)
