

## Legend

## Scorey

Rockstar, wock hard, NASCAR  
(Spooki, you scary)

Used to take percs for the pain, now I sing melodies (I sing melodies  
)  
I went through all my life ducking all these felonies (Ducking all th  
ese felonies)  
Bitch, I'm getting Arab money but I ain't no Yemenis (I ain't no Yeme  
nis)  
I'm a live a legend when I die, hope they remember me (Remember me)

Uh, uh, rockstar, sip drink, wock hard  
Do the dash, NASCAR, Lamborghini fast car  
Oh, I, I take these drugs to ease the pain, so I get too high  
So I get too high, uh

Who that, I want [?], I think she want meet me  
My little double CeCe, bust it down with VVS and Cartiers  
Too much money pilin' around this bitch you know we ballin' here  
Oppas say they up on the scoreboard but they ain't scorin' here  
Man down, shots fire, lay 'em down  
Extended clip, air it out, keep bustin' 'til it ran out  
Oh, I, caught an opp lackin' in traffic, made his soul fly, ah

Might take a perc', used to pop tens now I'm off seventy  
They think the work that I put in was accidentally  
And lil bro come through lurkin' in the bushes, new Glock .23  
You gon' have to hurt you, if you niggas, you want one of these  
Post up with a bunch of demons, might leave your mother bleedin'  
Went from the slums to Neiman's, slide and fuck up his evenin'  
Play with my heart, then lead on, want no lies, keep it  
Don't wanna argue on the net, pop out, know how we seekin'
