

That's Hurt

Scorey

(Adre, light them up)
Oh, oh, oh
I know, oh, oh
Uh, I know
I know

Chains on me, this a light show
Drake on me, this some micro
I was one in the ones that drop a plaque for you now, this a eyesore
Tryna change, but I'on expect you to wait for me, 'cause you got a li
fe, though
Money on your boys, then you'd have a page for your last hurt, I know

Uh, uh, uh, that's hurt, I know
Uh, you can see the pain in the them, that's hurt, I know, uh
Keep tappin' them triggers with rage, you know that's hurt, I know, u
h
He numbin' his problems with painkillers, that's hurt, I know, uh
Oh, that's hurt I know, uh
That's hurt I know, uh

Uh, ay, get a burn of me, I carry it, uh
Steady drifting this Trackhawk, got my horse and chair in it, uh
I ain't looking for love, I tell you truth I'm scared of it, uh
And I ain't looking for blood, I tell you truth not sparing them
Hold up G, double hands in the barell spin
They know a nigga advance in meling shit
They won't see him again again if he tellin' it
Put my heart in your hands, and you left wit' it, uh
I gave it a chance, you act like a fan, I'm next in it, uh
If he crackin' his hands, he turn to a strand, we exin' it, uh
Better keep you a Gen 5, you know they'll judge, my reckless, uh
First they want to switch sides, now they wan' dick-ride, negative
If he reach for this chain, he'll have the same
Bro step out, step, we steppin' in
He low if he tappin' his melanin
Can't go, I can't get my weapon in

Chains on me, this a light show
Drake on me, this some micro
